Re: USCC 19-R088

Dear Mr. Van Bergen,

You have asked for expedited processing of your Freedom of Information Act (FOIA) request. The Department's FOIA regulations state that an agency will provide expedited processing if a requester demonstrates a compelling need for the records because:

- (1) Failure to expedite the request could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or
- (2) There is an urgency to inform the public about an actual or alleged government activity and the request is made by a person primarily engaged in disseminating information.

Your request does not contain enough evidence to support either of these criteria. Your request for expedited processing therefore has been denied.

If you are not satisfied with our decision, you have the right to seek dispute resolution services from the DoD FOIA Public Liaison or the Office of Government Information Services. You also have the right to file an administrative appeal of this decision. Information for these services is enclosed.

Sincerely,

A handwritten signature in black ink, reading "Louis J. Nolan", is positioned above the typed name.

LOUIS J. NOLAN, GG14, DAF
